

Sponsor a Ribbon for Ste'

In January 2013, item 1 on Stephen's Sutton's bucket list was to raise £10,000 for The Teenage Cancer Trust as thanks for the support it had given him. The first ride out in May 2013, led by Stephen, was meant to be a one-off event to assist him with his fundraising towards his goal but having passed £100,000 he called for a second ride-out in 2014. Unfortunately, Stephen lost his battle with cancer on May 14th, 3 weeks prior to the second run, but not before requesting that we continue as an annual event as part of his legacy. Now held on the closest Sunday to May 14th, the procession of bikes and classic cars, which has raised over £34,500, is now recognised as one of the area's highest profile fundraising events, we are inviting you to sponsor one of the yellow ribbons which will line the route. Each ribbon will be accompanied by a card for you to write a personal message for a person of your choosing or, if you wish, post a message on the Stephen Sutton Ride Out Facebook page and it will be added to the 'Ribbon' page of the website

Whilst the total raised in his name has now passed £5,500,000, our promise to continue with the event is a wonderful way for local folk to show their respect and show that his legacy really does make a difference

By being part of the ride-out event you will be helping to keep that promise and push the fundraising for Teenage Cancer Trust even higher.

Thanks again
